

Host A Blood Drive!

Sovah Health is always in need of a steady supply of blood to treat our patients. You and your church, business or organization can help save lives here in our region by hosting a blood drive.

It's easy to save lives.

1. Contact our Sovah Blood Donor Center Coordinator at LaTonya.Martin@LPNT.net or 434.799.2262 to find a date and time that works best for you.
2. On your scheduled date, our team and mobile unit comes to you.
3. We can register and process 3 donors every 30 minutes.
4. Each donor receives a small gift - and best of all - each blood donation can save up to 3 lives here in our communities.
