

Attention:

LIMITED VISITATION ALERT

To help protect our patients, providers, employees and community, the following visitation guidelines are in effect immediately:

Anyone entering our facility will be **screened for symptoms consistent with COVID-19**, based on CDC guidelines.

Patients who are allowed visitors may have only **one WELL visitor** per visitation block. **WELL** visitors must be 18 years of age or older and will be required to wear a mask during their visit.

One WELL visitor are allowed for patients on these units:

- 2A, 4A, 6A and Inpatient Rehab
- Intensive Care Unit
- Same day surgery and procedures
- Cardiac Catheterization lab
- Outpatient Ancillary and Imaging
- Emergency Department

Labor & Delivery patients are allowed **two WELL support** individuals during labor. After delivery, **one WELL support** person for their entire hospital stay and in addition a second **WELL visitor** is allowed during visitation hours.

Pediatric patients will be allowed **two WELL** parent or guardian only.

Visitors **ARE NOT** allowed for high risk patients (end-of-life and clinical necessity exceptions apply):

Patients in isolation, immunocompromised, or are under observation or test positive for COVID-19.

Located in behavioral health.

Visiting Hours (limited to only 1 visitor during each visitation block):

10:00am - 12:00pm

5:00pm - 8:00pm

Additional **WELL** friends and family (beyond the one designated visitor) should **remain at home**.

Visitors who do not meet screening criteria at entry will be asked to reschedule their visit until they are symptom-free.

Thank you for your understanding and cooperation. We appreciate your support as we continue advancing our mission of Making Communities Healthier.
