

APPLICATION FOR ADMISSION

General & Cardiovascular Sonography

ADMISSION CRITERIA

APPLICATION DEADLINE: September 1, 2023!

- **Early Application is STRONGLY recommended! <u>Do NOT mail the final week before it is due</u> Hand deliver the application if timely arrival is not assured.
- 1. Completed applications must contain the following:
 - A. Completed application form with the \$50 non-refundable fee.

 Please make all checks payable to: SOVAH School of Health Professions
 - B. An essay. (guidelines include below)
 - C. 3 letters of reference. (forms included below)
 - D. Official college transcripts are required (sealed envelopes).

(We ask that ALL information be sent in one packet to reduce processing time and errors.)

- 2. All information will be kept strictly confidential.
- 3. Applicants are selected in accordance with nondiscriminatory policies.
- 4. Permission is granted to consult previous educators, employers, and agencies.
- 5. SOVAH School of Health Professions will perform criminal background checks on all applicants; any false statements will be grounds for non-acceptance or dismissal.
- 6. Minimum APPLICATION pre-requisite educational requirements:
 - Completion of General Prerequisite Courses as Listed below
- 7. The following General education classes are required for enrollment. Official Transcripts will be required for all courses.
 - √ Technical Mathematics, College Algebra, Trigonometry, vectors, geometry and complex numbers. (MTH 131 or 161)
 - **√** Human Anatomy & Physiology I
 - **√** Human Anatomy & Physiology II
 - **√** College Composition (English 111)
 - **√** Social Science Elective (PSY 230)
 - **√** Humanities Elective (PHI 220)
 - **√** College level General Physics Course
 - **√** College Success Skills
- 8. Acceptance of students is a two-part process based upon results of:
 - Part 1. Completed application score and
 - Part 2. Personal interview score.

Each candidate's application and transcripts will be reviewed with a score being obtained from academic grades in math, science, and other relative courses. (Advanced/college prep courses will carry more weight than standard course work.) Based on these scores the most qualified individuals will be granted a personal interview. The interview scores will be added to the application score to make our final decisions.

9. Acceptance into the SOVAH School of Health Professions' Medical Sonography Program is also contingent upon potential students passing a pre-enrollment drug screening and physical examination. Results of these tests are confidential and are maintained by the institution.

- 10. Technical standards: Due to the nature of this profession and considering the safety of our patients and our students, applicants must be able to meet all the following technical standards in order to be considered for enrollment.
 - A. Speech: Establish interpersonal rapport and communicate verbally and in writing with clients, physicians, peers, family members and the health-care team from a variety of social, emotional, cultural, and intellectual backgrounds.
 - B. Hearing and Comprehension: Auditory acuity sufficient to respond to verbal instruction, perceive and interpret various equipment signals, use the telephone, understand and respond appropriately to verbal directions and hear faint body sounds.
 - C. Vision: Visual acuity sufficient to identify and distinguish colors, read handwritten orders and any other handwritten or printed data such as a medical record, provide for the safety of clients' condition by clearly viewing monitors and other equipment in order to correctly interpret data and evaluate sonographic quality.
 - D. Mobility: Stand and/or walk eight hours daily in the clinical setting. Bend, squat or kneel. Assist in lifting or moving clients of all age groups and weights. Perform cardiopulmonary resuscitation (move around client to manually compress chest and ventilate). Work with arms fully extended overhead. Lift 50 pounds independently and 125 pounds with assistance.
 - E. Manual Dexterity: Demonstrate eye/hand coordination sufficient to manipulate equipment.
 - F. Fine Motor Ability: Ability to use hands for grasping, pushing, pulling and fine manipulation. Have tactile ability sufficient for physical assessment and manipulation of equipment.
 - G. Mentation: Ability to remain focused on multiple details and tasks for at least an eighthour period of time. Assimilate and apply knowledge acquired through lectures, discussions and readings.
 - H. Smell: Olfactory ability sufficient to monitor and assess health needs.
 - I. Writing: Ability to organize thoughts and present them clearly and logically in writing.
 - J. Reading: Ability to read and understand written directions, instructions and comments in both classroom and clinical settings.
