JOINT REVIEW COMMITTEE
ON EDUCATION IN
RADIOLOGIC TECHNOLOGY

The Sovah School of Health Professions Radiologic Technology Program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). The JRCERT is the only organization recognized by the U.S. Department of Education for the accreditation of education programs for radiographers and radiation therapists in the United States. The maximum award granted by the JRCERT is eight years. The JRCERT recognizes the following accreditation categories: accredited, probationary accreditation, and administrative probationary accreditation. Information regarding programmatic accreditation by the JRCERT can be found at www.jrcert.org or by contacting them directly.

Inquiries concerning accreditation may be made to:

JRCERT
